# Teacherwall / Storagewall

## Teacher Wall

The essential teaching aid every school needs!

Teacherwall will totally transform your teaching area, condensing storage and incorporating an optional interactive whiteboard or drywipe boards into one convenient area, allowing wall space to be utilised more efficiently.

**Delivery  
&  
Installation  
Service**

We help create designs that can be tailor-made for your classroom or corridor space.

**Speak to us to arrange a free site survey - T: 01480 869001**

## Schoolwall

With storage space often limited in today's teaching areas, the Schoolwall offers an innovative solution to classroom and corridor storage. The system maximises storage, whilst minimising the usage of floor space.

As there is no standard size for the Schoolwall system, each one is tailor-made for the selected space.

# Ricochet Wobble Stool

indoor Advantage Gold - Furniture  
This product is certified to Indoor Advantage Gold - Furniture, making it suitable for many building rating systems, including LEED v4, BREEAM, and WELL Building.

## Ricochet Wobble Stool

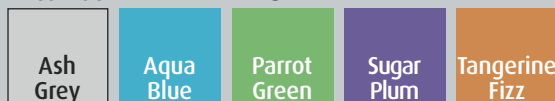

### An active sit for engaged learning

Ricochet stools support student movement, which is essential for cognitive development. Featuring a rounded base for an active sit, Ricochet stools offer freedom to fidget, which can help keep bodies and minds engaged. With its small scale and light weight, Ricochet is easy for students and teachers alike to carry and reposition as needed. When flipped, the gently concave top with waterfall edge nests with the convex base to stack up to 3-high. Ricochet comes in four heights from 300mm to 450mm. The colour options offer playful appeal, while all-poly construction and a non-slip base design ensure durability and stability for years to come.

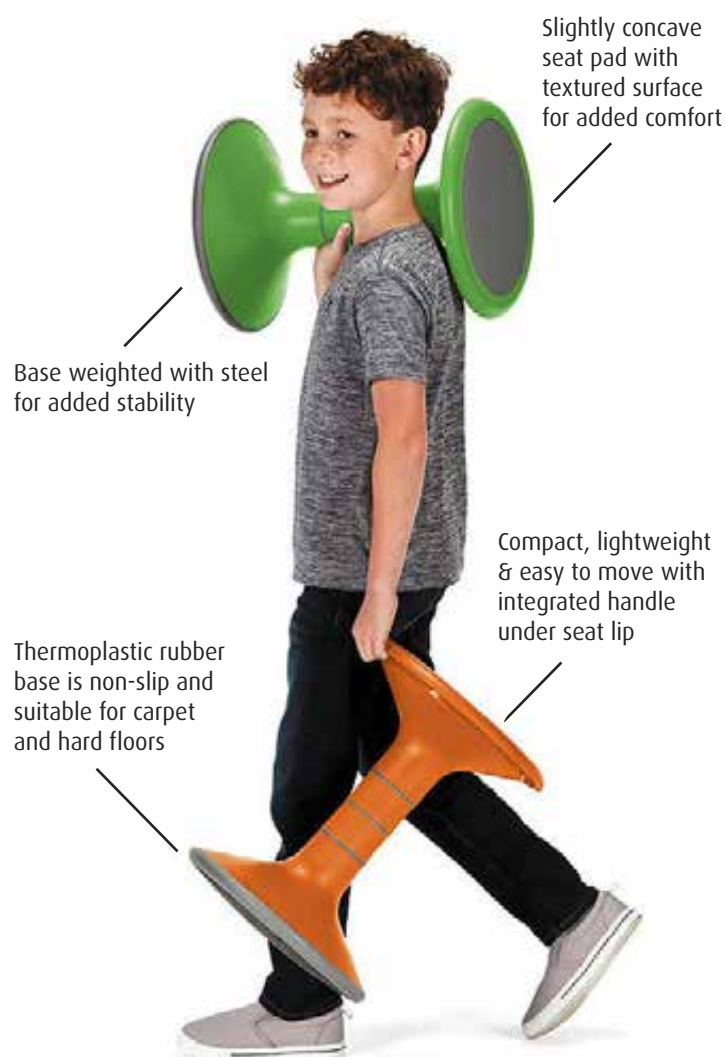

- Available in 5 standard colours & 4 heights from 300-450mm
- Stacks up to 3 high (upside down)
- Convex base offers 12° of rebounding motion
- 15 year warranty

Code	Dimensions (mm)	Price

## Complete Library Solutions

# Creating beautiful school libraries and learning spaces

If you're looking to transform a new or existing library environment, you're in safe hands! We can help manage your transformation from concept through to delivery and installation, just follow our easy guide and get in touch, it's really that simple!

Comfortable, age appropriate furniture helps to create a welcoming and inspiring space that gives more opportunity for interaction between staff and children.

# Complete Library Solutions

## Step 1 - Site Visit & Consultation

We will guide you through every step of your project, with a dedicated project manager who is more than happy to come and talk about your ideas and how you plan to use the space - this is the first step in your design process.

**However small or large your space, we know how to bring it to life!**

## Step 2 - Design to inspire

We have experience in crafting learning spaces for children of all ages, and our passion is to design a space with school library furniture that is right for you.

We use computer-aided design for our schematic drawings and can even offer 3D realisations to really lift our proposals from the page.

## Step 3 - Get Creative!

Creative spaces help to encourage creative thought, and a stress-free environment is vital to support learning.

## Step 4 - Get in touch

Having a dedicated school library or learning area encourages children to pick up books, and enjoy reading at an early age.

Contact us today and utilise our school library design service and see the fantastic library shelving and furniture we have on offer.

## Design your own StoryWall®

Supplied as either single-sided to use against an existing wall, or double-sided to form a room divider, whichever design you choose, you can be sure that the children will love to spend time exploring what StoryWall® has to offer.

## Our complete range of library services include:

- Library design
- Library shelving, display units, counters & associated furniture
- Signage, displays, artwork & noticeboards
- Project management
- Delivery & installation
- Aftercare
